*Petaluma, CA*— At the December 4, Board of Directors meeting, SMART General Manager, Farhad Mansourian, announced that passenger service to the new Larkspur and Downtown Novato stations would begin on Saturday, December 14.

The new Larkspur station will offer a vital connection to the Bay Area for commuters and visitors alike via the Golden Gate Ferry. The Larkspur station will also serve as a gateway for tourists wishing to visit Marin and Sonoma counties. SMART will be working with business leaders to attract visitors to travel by train for tourism and recreation to the beautiful North Bay.

On Friday, December 13, at 1:00 PM, SMART will host a Ribbon Cutting Ceremony for the Larkspur Station, followed by festivities at the Marin Country Mart. The following day, Saturday, December 14, at 10:30 AM, the City of Novato will host a [Ribbon Cutting Ceremony](#) for the Downtown Novato station.
